01 What is Spark Tank?

Spark Tank is Endicott College's annual pitch competition hosted by the Angle Center for Entrepreneurship and generously sponsored by The Cummings Foundation. Modeled after the popular show Shark Tank, it offers students a chance to present their business ideas to a panel of judges for feedback, mentorship, and potential funding. With a grand prize of \$10,000 for first place, \$3,000 for second, \$2,000 for third, & \$1,000 for fan favorite. Spark Tank is a unique opportunity to showcase your entrepreneurial spirit, compete for funding, and gain valuable insights into building a successful business.

THEME

“On Top of The World”

GOAL

Take a "Gull's eye view" of the world, identifying problems and creating innovative businesses to solve them

02 This Years Theme

Being an entrepreneur is a leap of faith—you won’t know if you’ll succeed until you try. But when you take that chance, you just might find yourself on top of the world. This year’s Spark Tank theme emphasizes the courage to tackle challenges and the vision to take a Gull's eye view of the world. Entrepreneurs at Endicott College are encouraged to rise above obstacles, embrace innovative solutions, and create meaningful change. Spark Tank provides the platform to take that first daring step toward turning dreams into reality

After your pitch, judges will ask follow up questions.
